OVYBL CONCUSSION REPORT

State Law and Ovybl policy require a player who exhibits signs, symptoms or behaviors associated with concussion to be removed from a contest and not permitted to reenter competition that same day. This form shall serve to document that a player has been removed from a contest in accordance with State Law and Ovybl rules due to exhibiting signs, symptoms and/or behaviors consistent with a concussion. The contest official or coach must complete this form and submit it to a local organization representative immediately following the practice or contest. The local organization representative must submit this form within 24 hours after the conclusion of the practice or contest to ovybl@comcast.net. It is recommended that the official or coach keep a copy of this report.
